

**NOTICE OF HUNTER REGION
OCCUPATIONAL PHYSICIAN/TRAINEE
SCIENTIFIC MEETING and VIDEOCONFERENCE**

DATE: 17SEP09 **TIME:** 6 pm sharp

VENUE: Hunter Industrial Medicine Conference Room
The Pinnacle Building
Unit 5 No 500 High Street
Maitland NSW

CHAIR: Dr Maurice Harden

TOPIC: Lung Function Assessment
Utility, Interpretation and Analysis

SPEAKER: Jeff Pretto BAppSc, GDBI, CRFS

Jeff has been involved in clinical respiratory and sleep physiology for nearly 30 years with a long-standing interest in the improvement of respiratory investigative techniques. He managed the Respiratory Laboratory at the Austin Hospital in Melbourne for many years prior to moving to the Hunter region at the end of 2007 to take on the role of Scientific Director of the Department of Respiratory & Sleep Medicine at John Hunter Hospital. This position involves managing the scientific, technical and research activities within the Pulmonary Function laboratory and the Newcastle Sleep Disorders Centre. He also plays a role in research activities within the Hunter Medical Research Institute and the Institute for Breathing and Sleep, and currently acts as coordinator of the HNE Health Respiratory Clinical Stream charged with planning the delivery of clinical respiratory services within the region.
