

AUSTRALASIAN FACULTY OF OCCUPATIONAL MEDICINE

HUNTER REGIONAL COMMITTEE

NOTICE OF AFOM TRAINEE MEETING

DATE: Thursday, 15 May, 2003

**VENUE: NEWCASTLE HSA OFFICE
13 Darby Street, Newcastle. 2300**

TIME: 4.30pm - 5.45pm
Chair: Dr. Maurice Harden
PRESENTER: Dr. Deon Viljoen

TOPIC: *Musculoskeletal examination and the aging worker.*

An employer is concerned about the effects of aging on their workforce and has requested an examination of a particular individual. Describe an appropriate physical examination of the musculoskeletal system applicable to the periodic medical and explain how you would manage an employer's concerns about an aging worker/workforce in the absence of occupational limitations specific to the work task.
