Paul Waters gave notification for the upcoming forensic safety presentation on 16OCT03 by David Cockbairn.

Paul Waters suggested that a request be sent out to all minutes recipients for suggestions of interesting speakers and topics. Any suggestions may be forwarded to Jan Austin or Maurice Harden for follow up. The suggestion was made that other local groups should be contacted and asked if they would like to receive the meeting notifications. All members to follow up and notify Jan Austin of relevant email addresses. In particular a speaker for November is needed.

Steve Rabone has taken the invoice for last months speakers meal and will follow up on ways to streamline the reimbursement of expenses.

Jan Austin was contacted regarding the widespread distribution of email addresses in the last mail out. The reason for this was because of a changeover of computer emailing systems and this should not recur.
